GABRIELE LANTERI

COMPUTER SCIENTIST

OVERVIEW

I was born in Genoa on 16/02/1999, I am an outgoing and determined person, I like to work in a team so that I can observe different points of view and consolidate my knowledge.

My passion for computer science has led me to study programming and cybersecurity academically.

WORK EXPERIENCE

Software Developer

Gruppo SIGLA | October 2021 - present | Genova

- Actually external consultant at Hitachi Energy
- In the projects i used technologies like Angular, NgRx, .Net, Oracle, Docker, Azure Devops, reporting with Jasper and Visual Studio, Entity Framework, Dapper, Windows Form with C#, Bash script
