GABRIELE LANTERI

CYBER SECURITY ENGINEER

OVERVIEW

I was born in Genoa on 16/02/1999, I am an outgoing and determined person, I like to work in a team so that I can observe different points of view and consolidate my knowledge.
My passion for computer science has led me to study programming and cybersecurity academically.

WORK EXPERIENCE

Cyber Security Engineer

STAM Mastering Excellence | May 2024 - present | Genova

- Application Security: Integrated SonarQube into development pipelines to automate static analysis and enforce secure coding standards.
- Vulnerability Management: Conducted vulnerability assessments using Greenbone, delivering technical reports and remediation strategies.
- Security Awareness: Executing security awareness programs through Proofpoint phishing simulations to analyze and proactively mitigate corporate risk.
- ISO 27001 Certification: Contributed to the successful implementation and achievement of the ISO/IEC 27001 standard, focusing on security controls and policy documentation.
- EU Research Projects: Collaborated on EU-funded Cybersecurity projects, contributing to the development of innovative security frameworks and threat analysis.
- AI & LLM: Integrated and managed LLMs within various projects, focusing on implementation, optimization, and the development of AI-driven functionalities.

Software Developer

Gruppo SIGLA | October 2021 - April 2024 | Genova

- Full-Stack Development: Engineered scalable applications using .NET (C#, Entity Framework, Dapper) and Angular (NgRx), managing complex state and high-performance data access.
- DevOps & Infrastructure: Leveraged Azure DevOps for CI/CD, managed containerized environments with Docker, and automated system tasks via Bash scripting.
- Legacy & Reporting: Maintained and modernized WinForms applications and developed comprehensive reporting systems using JasperReports and Visual Studio.
- Delivered high-impact technical solutions for industrial clients including RINA, Hitachi, Cetena, Duferco, and AMT.

CONTACTS

Genoa, Italy

University Internship

Gruppo SIGLA | July 2021 - October 2021 | Genova

- Developed my Bachelor's thesis in Computer Science at the University of Genoa, focusing on the "Design and integration of an ORM for a web-based commercial management system."

EDUCATION AND TRAINING

University of Pisa

Master in Cybersecurity | February 2023 - March 2024

- Experienced in Network Analysis (Wireshark, nDPI, Packet Tracer), Ethical Hacking (Kali Linux, Metasploit, Burp Suite, Nmap), and Vulnerability Assessment (Greenbone, Shodan). Proficient in ELK Stack (Elasticsearch, Kibana), network protocols (DNSSEC, Routing, Firewalls), and GDPR compliance.

University of Genoa

Bachelor's degree in Computer Science | October 2018 - October 2021

High school of Human Sciences

September 2013 - June 2018

SKILLS

Programming languages

C/C++, C#, PHP, JavaScript, HTML/CSS, Python, Java, SQL, Java per Android, TypeScript, Bash Script, Angular, Flutter

IDE/Platforms

Visual Studio/Visual Studio Code, Android Studio, IntelliJ Idea, Eclipse, PyCharm, Git, Jasper, Azure(cloud), Sql Server Management Studio, DBeaver, Office 365, Fork, Google Cloud Platform, Firebase Distribution

Framework/Environments/Libraries

Bootstrap, Angular, .NET, NgRx, Docker, Entity Framework, Dapper, Cake .NET

Database

Oracle, MySql, Microsoft SQL Server, PostgreSQL, SQLite, Supabase

Operating Systems

Windows, Linux, Mac OS

Cybersecurity Tools

Wireshark, nDPI, Nmap, Greenbone, CISCO Packet Tracer, Routing, Firewall, DNS/DNSSEC, Kali Linux, Ettercap, Elastic Search, Kibana, Shodan, Burp Suite, Metasploit, SonarQube, Proofpoint

Languages

- Certification DELF B1 at Alliance Francaise Genova
- English level B1

VOLUNTEERING AND FREE TIME

Spider-Man for the Giannina Gaslini of Genoa hospital

- Since 2023, I've been spending my weekends visiting kids at the Giannina Gaslini hospital dressed as Spider-Man to bring them a smile, collaborating with the AMRI and "La Band degli Orsi" charities.

Rescuer 118 at Croce Bianca Valsecca (Serra Riccò)

- Active since 2013 as a rescuer. Served as Vice President (2023-2026) and helped launch the Civil Protection department in 2020.

Autorizzo il trattamento dei dati personali contenuti nel mio curriculum vitae in base all'art. 13 del d.lgs 196/2003 e all'art. 13 gdpr 679/16 (cv aggiornato a aprile 2026)
